

# Keychains

When you think of key chains, you might imagine a whimsical novelty with cartoon characters, sports team mascots, or assorted shapes encrusted with dazzling bling attached to a simple ring. But at Custom Accessories, we've taken this humble hoop of metal to new heights. As you'll see, key rings and key chains can have a multitude of additional functions that turn them into pocket-size toolboxes, survival tools, flashlights, and more!
